Sir:

Attached hereto is a copy of the front page of the Office Action dated December 15, 2004 date stamped March 15, 2005. The Office Action was mailed to an old physical address even though the Declaration filed with this application has our correct P.O. Box address. Applicant's representative discovered this error by checking the status on PALM/PAIR, and downloaded the Office Action on March 15, 2005. According to MPEP §707.13, when an Office Action is returned to the Office because the U.S. Postal Service has not been able to deliver it, the Examiner should use every reasonable means to ascertain the correct address and forward the Action again, after stamping it "remailed" with the date thereof, and redirecting if there is any reason to believe that the Action would reach the

Applicant at such new address. It does not appear that this course of action was followed in the present application, as Applicant has yet to receive the Office Action by mail.

Because this is believed to be a Patent Office error, Applicant requests a refund of the Petition for Extension of Time fees (\$1,020) paid on May 26, 2005 for the above-identified application. Further, this Request is filed within one year of the filing of the paper to which the charge occurred. Accordingly, it is respectfully requested that this charge be credited to Deposit Account No. 16-0607 and that the Patent Office acknowledge this credit in writing to the undersigned.

Respectfully submitted,
